

Fun Home: a family tragicomic

By Alison Bechdel

Content Samples:

p. 17: "But would an ideal husband and father have sex with teenage boys?"

p. 61: In reference to the author's father's interactions with a high school student: "The promise was very likely sexual in some cases, but whatever else might have been going on, books were being read."

p. 79: "Dad? With other men?"... to which the mother replies, "and boys. One time he almost got caught. And then there was the thing with Roy."... to which the daughter replies, "Roy, our babysitter?!"

p. 95: in reference to the author's father sexual grooming, "He would cultivate these young men like orchids."

p. 170: "Although I did not allude to masturbation in my diary until I was sixteen, I began the assiduous practice of that activity soon after I got my first period."
