

Rick

By Alex Gino

What You Should Know

Rick is available to all children at two KSD elementary schools (K-5) and both middle schools. It was brought to KFEI's attention by the parent of a young child who checked it out and was confused by the topics.

Parents are asking: *Why do their rights to navigate these topics with their children when and how they deem appropriate continue to be ignored?*

OVERVIEW

"Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves, even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves—and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex altogether"—Publisher.
